RE: Letter of Recommendation for Capital Office

To Whom It May Concern

The Anchorage Senior Activity Center is in the final stages of a sizeable grant-funded project. Capital Office facilitated the complete refurnishing of the entire center and its offices.

Capital and its staff have been and continue to be fantastic to work with.

- They listened to all the needs of the center and its patrons and staff.
- They made recommendations and adjustments when necessary.
- They ordered and delivered all furnishings promptly.
- Their delivery and installation team have been incredible and are always available for questions and support regarding new equipment usage.
- Most importantly, their communication regarding everything from orders, changes or delivery was and continues to be prompt.

We highly recommend the team at Capital Office.
